EARTH DAY ACTITYIES & CRAFTS

HAPPY EARTH DAY FROM CCPR!

PRESENTED BY:

BOTTLE CAP ACTIVITY

MATERIALS NEEDED:

- Piece of plain white paper (to form a background)
- Brown colored crafting paper (to make the tree trunk)
- Green plastic bottle caps
- Piece of red craft foam for tiny apples (regular red paper will do just as well)

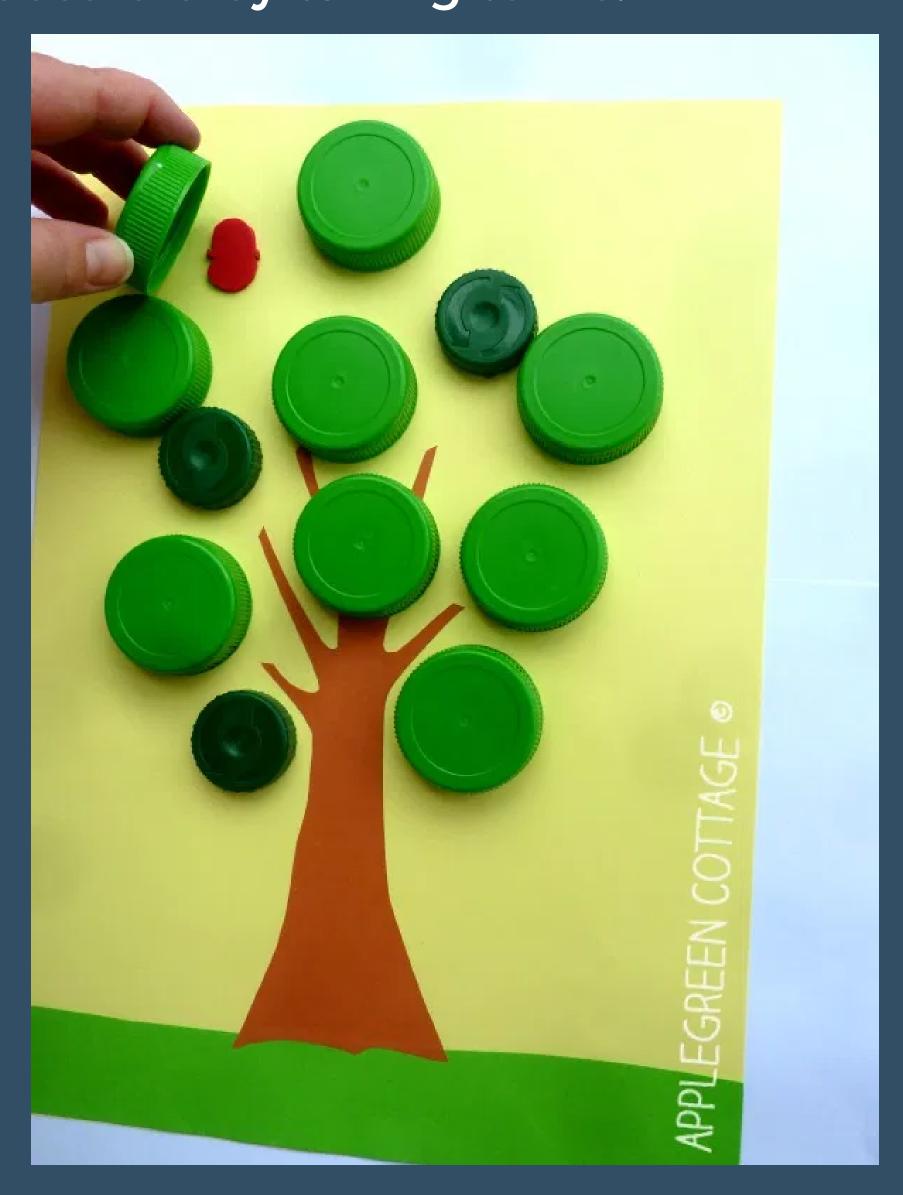

HOW TO MAKE THE BACKGROUND FOR THE APPLE SEARCH GAME

- Cut out a tree trunk from brown crafting paper
- Cut a green stripe of crafting paper to the bottom.
- Glue to a piece of paper.
- Use the red craft foam to cut out small circles that will act as apples. Bear in mind that only half of the bottle caps will house one 'apple', meaning that if you've got 10 caps, you'll only need to cut out 5 craft foam apples

BOTTLE CAP ACTIVITY

HOW TO PLAY THE BOTTLE CAP ACTIVITY
Place the red apples 'on' the tree branches. Cover the apples using green plastic bottle caps (pretend leaves) on them, and spread the rest of the green bottle caps around these (meaning that one half of the plastic bottle caps will be empty). Try to collect as many apples as possible by taking turns!

PAPER BOWL BIRD FEEDER

MATERIALS NEEDED:

- Paper bowl
- Paint and Paintbrush
- Strings
- Scissors
- Hole puncher
- Cheerios
- Bird seeds

DIRECTIONS:

- 1. Start by painting the paper bowl. You can add some color to our paper bowl but you can skip this step. Use just one or two colors for younger kids. Paint the paper bowl on the inside and outside, too, if you like.
- 2. Use the hole puncher to make 4 holes on the paper bowl rim.
- 3.Cut two pieces of string and thread them through the holes. Thread Cheerios through the strings. Once you're done with the Cheerios, tie up the strings two by two and then all of them together.
- 4. Add bird seeds and hang your bird feeder in a tree.

EARTH DAY BINGO

RECYCLES	BUYS LOCAL PRODUCE	OWNS A SOLAR POWERED DEVICE	WALKS OR BIKES INSTEAD OF DRIVING	SPENDS TIME OUTSIDE EVERY DAY
GARDENS	TAKES QUICK SHOWERS	USES GREEN CLEANERS	OWNS A BIRDHOUSE OR BIRD FEEDER	BUYS SECONDHAND CLOTHES
PLANTED A TREE RECENTLY	OWNS A METAL STRAW		PICKS UP LITTER	DONATES TO WILDLIFE CHARITIES
TURNS OFF LIGHTS WHEN LEAVING ROOMS	VOLUNTEERS WITH NATURE CHARITIES	REPAIRS INSTEAD OF REBUYING	USES REFILLABLE WATER BOTTLES	COMPOSTS
OWNS A RESCUE PET	USES CLOTH SHOPPING BAGS	RECENTLY LEARNED A NATURE FACT	VEGETARIAN	UNPLUGS UNUSED ELECTRONICS
